NIE Diploma

Awards Segment
Anugerah MENDAKI Awards
GCE A-Level
PSLE

Valedictorian Speech
Ms Nurul Atiqah Zaidi

Refreshments
Buffet Lunch at Foyer

End of Ceremony

ABOUT THE AWARDS

There are six types of Anugerah MENDAKI awards

Anugerah Gemilang MENDAKI

Also known as MENDAKI Pinnacle Award, this award was introduced in 2019 to recognise exemplary individuals who embody the 3Cs – Character, Competency and Citizenry – values that contribute to the Community of Success.

Anugerah Cemerlang MENDAKI

The Anugerah Cemerlang MENDAKI is awarded to graduates of LASALLE College of the Arts, Nanyang Technological University, National University of Singapore, Singapore Institute of Technology, Singapore Management University, Singapore University of Social Sciences, Singapore University of Technology and Design and other prestigious universities who have obtained First Class Honours degrees or equivalent.

Academic Achievement Award

The Academic Achievement Award is awarded to students who topped the cohort in their respective course of study. This includes students from ITE, Polytechnic, GCE-A Level, IB and University.

MENDAKI-Goh Chok Tong Youth Promise Award (GCTYPA)

The MENDAKI-Goh Chok Tong Youth Promise Award (GCTYPA) recognises outstanding Malay/Muslim youths who have demonstrated excellence, leadership potential, resilience and a commitment to contributing positively to society. The award also recognises excellence in fields such as entrepreneurship and technology to celebrate youths who are making meaningful contributions across a wider range of disciplines.

Anugerah MENDAKI

The Anugerah MENDAKI is awarded to students who have received exceptional results in national examinations including PSLE, GCE-N, O, and A-Levels, NITEC/Higher NITEC/Technical Engineer Diploma, International Baccalaureate Diploma (IB), NUS High Diploma, and Diploma with Distinction/Merit from all Polytechnics, LASALLE College of the Arts, National Institute of Education and Nanyang Academy of Fine Arts.

Special Achievement Award for Excellence (SAAE) (Non-Academic)

The SAAE is awarded to students between ages of 14 and 25 who have done exceedingly well and attained an award at the National, Regional, or International platforms in a non-academic field.

Anugerah MENDAKI 2026

Nurul Atiqah Binte Zaidi
Bachelor of Arts (Honours) Fine Art
Nanyang Academy of Fine Arts

- Anugerah Gemilang MENDAKI
- Anugerah Cemerlang MENDAKI

Exploring Identity, Performance, and Epistemic Research Through Art

Nurul Atiqah Zaidi is an interdisciplinary artist, researcher, and educator working across performance philosophy, Nusantaran body politics, and counter-archival systems.

She holds a BA (Hons) Fine Art (First Class Honours) from NAFA / University of the Arts Singapore, where she graduated as cohort Best Graduate and received the 2026 Best Studentship Award (Degree) and Lim Ai Fang Art Prize (Top Prize). Her final-year work, GIGIT: The Material Residue of Willful Biting, was acquired by the Woon Brothers Foundation Collection. She is currently a Master of Fine Arts candidate at the University of the Arts Singapore and a National Arts Council Postgraduate Scholar.

Through performance, installation, and digital mapping, Atiqah investigates how human identity, regional nuance, and the brown female body are remembered. Her practice draws upon inherited memory, somatic inquiry, and Malay-Javanese female experiences to construct alternative repositories of generational knowledge and resistance against historical erasure.

Her practice includes international presentations and exhibitions in Singapore, Indonesia, and London, with features at the NUS Museum, Objectifs Centre for Photography and Film, Studio Plesungan, P7:1SMA, and Chelsea College of Arts. She has also designed costumes for the National Arts Council's Our SG Arts Plan Launch (2023) and was featured in a catalogue essay published by the National University Singapore (NUS) Museum (2025).

Atiqah also leads curatorial and educational projects, having served as Lead Curator for her graduating cohort, holding a Diploma in Art Teaching (Best Studentship Award, 2024), and facilitating community initiatives with organizations like Assisi Hospice. Her artistic journey has been highlighted in Her World Singapore and Berita Harian.

Anugerah MENDAKI 2026

Faiq Faran
Diploma in Pharmaceutical Science
Republic Polytechnic

- Anugerah Gemilang MENDAKI
- Academic Achievement Award
- Anugerah MENDAKI

Leading with Empathy and Purpose

Faiq Faran graduated with a Diploma in Pharmaceutical Science and a GPA of 3.94. In 2026, he received Republic Polytechnic's Board of Governors Award for the Most Outstanding Graduate of the Year and National Healthcare Group Silver Medal Award. He was also recognised with the Lee Hsien Loong Outstanding All-Round Achievement Award.

A National Youth Achievement Award Gold recipient and Youth Corps Leader, Faiq approaches service by listening to people's needs and taking action. When members of the Singapore Association for the Visually Handicapped expressed an interest in celebrating Hari Raya together, he helped turn the idea into an inclusive event.

Faiq has made active contributions to the community, particularly in the North West region, where he was recognised with the North West Outstanding All-Rounders Award. As Chairman of QarYouths, the youth wing of Masjid Petempatan Melayu Sembawang, he leads community initiatives and youth camps featuring activities such as qiyam, Islamic astronomy, jenazah courses and iftar sessions with the visually handicapped community, alongside beach clean-up.

As a District North (Mosque) Youth Leader, Faiq also works with youth leaders from other mosques to plan and organise community programmes such as Beyond Barriers Camp, promoting healthy living, mental health awareness and understanding of disability. He has also led an overseas humanitarian trip to Vietnam, where he supported students through basic English lessons and practical skills such as Microsoft Word.

Featured in the National Day Parade 2025 and several news features for his youth and community contributions, Faiq hopes to continue using his experiences to inspire more young people to step forward, serve others and make a meaningful difference in their communities.

Muhammad Aqil Arfa Bin Mohd Yazid
GCE Advanced Level
Hwa Chong Institution

- Anugerah Gemilang MENDAKI
- Anugerah MENDAKI

Finding Harmony Through Learning and Music

Muhammad Aqil Arfa Bin Mohd Yazid combines academic achievement with creativity and a willingness to embrace new experiences. A student of the MENDAKI Achievement Programme (MAP) from 2020 to 2021, he went on to receive the Edusave Scholarships for Independent Schools and the Hwa Chong Diploma with Distinction. His teachers recognise him as a humble, responsible and supportive student.

Entering a school environment with many Mandarin-speaking classmates, Aqil took the initiative to learn to communicate in Chinese. His openness helped him build friendships across different backgrounds and contribute positively to the class community.

As a guitarist and member of the school's "Weyoung (华中未央)" songwriting club, Aqil developed his skills in composition, musical arrangement and production. He achieved overall second place with his original composition "风语" in the HCI–NYGH Chinese Songwriting Competition, while also clinching other awards such as the "Best Melody Award 最佳作曲奖" and "Most Popular Award 最佳人气奖". The song has also been published on musical platforms like Spotify and Apple Music and amassed an impressive number of streams! He also produced studio recordings and collaborated on music videos, bringing his creative work to audiences beyond school.

Alongside his achievements, Aqil generously supported classmates who needed help and contributed to community outreach at the West Coast Community Club Earth Hour event. His journey reflects the value of stepping beyond familiar surroundings while remaining considerate towards others.

Anugerah MENDAKI 2026

Nur Sabrina Binte Herwan
Nitec in Urban Greenery & Landscape
ITE College East

- Anugerah Gemilang MENDAKI
- Academic Achievement Award
- Anugerah MENDAKI

Growing Through Perseverance and Purpose

Nur Sabrina Binte Herwan achieved a perfect GPA of 4.0 in Nitec in Urban Greenery & Landscape. Despite personal health challenges, she remained committed to her coursework, demonstrating perseverance and careful self-management. She graduated as a Gold Course Medallist and Outstanding Graduate in 2026.

Her achievements include Director's List recognition, the NParks–Peter Lim Merit Scholarship, the EAGLES Award and the ITE CCA Medal. These honours reflect her academic performance, practical skills and active contributions to school life.

As Vice-President of the Green Ambassador Club, Sabrina supported recycling and upcycling workshops and environmental awareness activities. She also led a floral garden design project implemented with NParks at Jurong Lake Gardens, applying her learning to a public green space.

Beyond school, Sabrina volunteered in neighbourhood sustainability advocacy, sharing advice on gardening and mosquito-breeding prevention. She also participated in a beach cleanup at Pasir Ris Park. Through these efforts, she encouraged responsible environmental habits and contributed to cleaner, safer shared spaces.

Anugerah MENDAKI 2026

Ashsyahid Bin Hussin
Bachelor of Science with Honours in Applied Artificial Intelligence with Highest Distinction
Singapore Institute of Technology

- Anugerah MENDAKI
- Academic Achievement Award

Excelling in Artificial Intelligence, Leading with Purpose

Ashsyahid Bin Hussin has distinguished himself through academic excellence, student leadership and the application of artificial intelligence to real-world challenges. Graduating top of his course cohort at the Singapore Institute of Technology (SIT) with a Bachelor of Science with Honours in Applied Artificial Intelligence, he is the recipient of the Academic Achievement Award at Anugerah MENDAKI 2026.

Beyond his studies, Ashsyahid served as Vice-President of the Applied AI Student Management Committee in 2024 and AI Lead of the SITech Developers Club in 2025. His involvement in student-led technology activities reflects his commitment to learning alongside his peers and supporting opportunities for others to explore AI.

Ashsyahid also put his knowledge into practice through innovation competitions. In 2024, his team emerged first among 85 teams at the Singapore Civil Defence Force × Dell Technologies Lifesavers' Innovation Challenge, a proposed system to alert motorists to approaching emergency vehicles. He also contributed to Dabaoware in the same year, which received a Commendation Prize at The Mapletree Challenge for its proposed smart vending machines for reusable takeaway containers.

Ashsyahid is currently working as a Software Engineer at Dell Technologies. Through his academic achievements, leadership and participation in these projects, he demonstrates how technical knowledge can be applied creatively to address real- world and community needs.

Anugerah MENDAKI 2026

Mohamed Issyam Bin Rahim, Damien Kam
Diploma in Robotics & Mechatronics
Nanyang Polytechnic

- Academic Achievement Award
- Anugerah MENDAKI

Engineering Solutions, Inspiring Sustainability

Mohamed Issyam Bin Rahim, Damien Kam achieved a GPA of 3.9 in his Diploma in Robotics & Mechatronics, earning Director's List recognition in all six semesters. His academic record includes nine distinctions and sixteen A grades.

Issyam represented Nanyang Polytechnic at the 2025 AI Empowered Advanced Manufacturing International Skills Invitational in China, securing first place against 16 other teams. He also earned a Silver Award at the 2024 RoboMaster Challenge Championship Southeast Asia leg.

As President and subsequently Vice-President of the GEO Council, Issyam championed environmental responsibility. He helped lead Adopt-A-Block outreach, Freecycle events, urban farming activities and coastal cleanups, encouraging students and residents to adopt sustainable practices.

Issyam also served as Secretary of the Robotics Interest Group and supported fellow students through peer tutoring and mentoring. His volunteering with SUN-DAC included assisting persons with intellectual disabilities in adapted physical education and horticultural art activities. Across engineering and community service, he demonstrates initiative, patience and a commitment to helping others participate.

Anugerah MENDAKI 2026

Muhamad Danial Bin Mohammad Rizal
Nitec in Aerospace Machining Technology
ITE College Central

- Anugerah MENDAKI
- Academic Achievement Award

Turning Setbacks into Achievement

Muhamad Danial Bin Mohammad Rizal returned to education with renewed determination after earlier academic setbacks. His perseverance led him to achieve a perfect GPA of 4.0 in Nitec in Aerospace Machining Technology and graduate as a Gold Medallist and School of Engineering valedictorian in 2026. Graduating top of his course cohort, he is awarded with the Academic Achievement Award at Anugerah MENDAKI 2026.

Danial earned Director's List recognition in 2024 and 2025, alongside the LBKM Academic Excellence Award. He also developed his technical capabilities through SOLIDWORKS certification and participation in engineering, digitalisation and sustainability competitions, including a Top 10 finish in the Agile Lean Competition.

As a Bridge Leader, Danial became a dependable source of guidance and encouragement for classmates. His lecturers describe him as approachable and humble, with peers often looking to him as an elder brother figure. His contributions earned Service Star Awards at Diamond and Gold tiers.

His service extends to food packing for underprivileged households, sustainability outreach and volunteering at events such as WorldSkills Singapore and Istana Open Houses. He also participated in overseas service and development activities in Yogyakarta, broadening his understanding of community needs through service and cultural exchange.

Anugerah MENDAKI 2026

Afiq Anaqi Bin Ramlan
Nitec in Pastry & Baking
ITE College West

- Anugerah MENDAKI
- Academic Achievement Award

Baking Excellence, Sharing Care

Afiq Anaqi Bin Ramlan achieved a perfect GPA of 4.0 in Nitec in Pastry & Baking. His accomplishments include the Tay Eng Soon Gold Medal, Top Graduate and Outstanding Graduate awards, and selection as valedictorian in 2026.

Afiq developed his baking skills through industry competitions, securing first runner-up positions in the Olam “Recreate Classic Bake” competition and the California Raisin Competition. His involvement in the “New Grounds” final-year restaurant project also strengthened his planning, coordination and resource management skills.

As Class Deputy Chairman and a Peer Supporter, Afiq helped create a supportive learning environment. He organised group study sessions, assisted classmates with their studies and facilitated communication between students and lecturers.

Between 2024 and 2025, Afiq contributed more than 100 hours of volunteer service. Working with New Life Community’s research and development team, he helped create healthier desserts for elderly beneficiaries. He also guided seniors through baking activities, sharing his knowledge with patience and using his culinary skills to encourage well-being and social connection.

Anugerah MENDAKI 2026

Thahmina Sulthanul Ariff
Bachelor of Accountancy with a second major in Digital Business
Singapore Management University

• Anugerah Cemerlang MENDAKI

Combining Professional Excellence with Community Care

Thahmina Sulthanul Ariff pursued a Bachelor of Accountancy with a second major in Digital Business, achieving a GPA of 3.80. Her academic accomplishments include Dean's List recognition, the NextGen Tax Excellence Award and the MENDAKI–Institute of Singapore Chartered Accountants Scholarship in 2025.

Within the SMU Muslim Society, Thahmina progressed through roles including Marketing Deputy and Honorary Finance Secretary before becoming Vice-President. These responsibilities strengthened her leadership and organisational skills as she balanced coursework with student programmes.

Thahmina also supported scholarship activities and participated in the SMU Accounting Mentorship programme, helping juniors navigate university life. Her willingness to guide others complements her commitment to her own professional development.

Since 2021, she has volunteered with the Indian Muslim Social Service Association, teaching children and supporting community iftars, hamper distributions and meals for underprivileged residents. Her contributions include monthly food packing at Masjid En-Naeem in collaboration with MENDAKI and FITRAH, as well as participation in racial harmony activities that encourage understanding across communities.

MENDAKI 2026

Amir Rusyaidi Osman
Bachelor of Sport and Exercise Sciences & Master of Applied Human Performance Science (Combined Degree)
The University of Western Australia

- MENDAKI – Goh Chok Tong Youth Promise Award (Overseas)

Pursuing Excellence on the Track and Beyond

Amir Rusyaidi Osman is a Team Singapore middle-distance and steeplechase athlete pursuing a combined Bachelor of Sport and Exercise Sciences and Master of Applied Human Performance Science at The University of Western Australia (UWA). Bringing together his interests in competitive sport and human performance, he balances university studies, national sporting commitments and work experience.

In 2025, Amir represented Singapore in the 1,500 metres at the 33rd Southeast Asian Games and set the Singapore national road mile record with a time of 4:19.55. His performance of 9:36.52 in the 3,000 metres steeplechase also placed him among Singapore's top ten athletes of all time in the event. He received the UWA Half Blue Award in recognition of his sporting achievements.

A UWA Global Excellence Scholar with a GPA of 6.056 out of 7.0, Amir has gained experience in athlete monitoring, strength and conditioning, and performance analysis through sports placements. He also contributed to performance databases and competition qualifying standards during his internship with Singapore Athletics. Amir is also the founder and managing editor of InsideTrackSG, an independent media platform covering Singapore and regional athletics. Through athlete interviews, feature stories and results reporting, he helps raise the visibility of the athletics community.

His commitment to service includes volunteering as a tutor with FaithActs, mentoring student-athletes and supporting National Day Parade operations. In 2017, he participated in a Youth MENDAKI Club overseas community involvement project in Sapa, Vietnam, where he taught students and assisted with school construction. Through sport, education and community service, Amir continues to develop his capabilities while contributing to others.

Anugerah MENDAKI 2026

Rosfarina Binte Rosli
Diploma in Restaurant & Culinary Management
Republic Polytechnic

- MENDAKI – Goh Chok Tong Youth Promise Award (Local)

Turning Passion into Culinary Excellence

Rosfarina Binte Rosli is a final-year Diploma in Restaurant & Culinary Management student at Republic Polytechnic. Initially enrolled in Digital Design and Development, she made the courageous decision to change courses to pursue her passion for cooking. Through perseverance, she improved her academic performance, earning multiple A grades, distinctions and a Top Module Prize.

Representing Republic Polytechnic at the Young Chefs Grand Prix Team Competition at FHA 2026, Rosfarina and her teammates secured a Bronze Award after months of intensive preparation. Balancing training with her studies strengthened her discipline, teamwork and confidence.

Beyond competitions, Rosfarina worked with classmates to develop recipe recommendations for elderly beneficiaries using ingredients from food support programmes. She also explored food sustainability through the Sustainable Future Food Challenge and gained industry exposure supporting JL Studio's service during the Formula 1 Singapore Grand Prix.

Rosfarina aspires to contribute to the culinary industry through innovation, sustainability and mentorship, using her skills to bring people together and serve the community.

Anugerah MENDAKI 2026

Shamsubahurudin s/o K N M Shamsuddin
Diploma with Merit in Medical Biotechnology
Temasek Polytechnic

• Anugerah MENDAKI

Connecting Science with Compassion

Shamsubahurudin s/o K N M Shamsuddin, affectionately known as Sham, graduated with a Diploma with Merit in Medical Biotechnology and a GPA of 3.87. His academic achievements include the MOHH Healthcare Merit Award, while his research work earned a Poster Merit Award at the Young Scientists' Symposium 2026.

Shamsubahurudin co-founded Applied Science Change Catalysts to encourage students to grow through leadership and service. He also led an overseas community service expedition to Balikpapan, Indonesia, where his team conducted communication, nutrition and AI literacy workshops with local students.

Through You(th) Can Do It!, Shamsubahurudin helped connect young people with community organisations and meaningful volunteering opportunities. His service also includes teaching children financial literacy through Beyond Social Services and organising youth education initiatives on drug prevention.

His interest in healthcare is reflected in his work with seniors and dialysis patients. Through Soup Buddies and the National Kidney Foundation's befriending programme, he supported physical well-being, companionship and patient education.

While volunteering with VIVA Foundation for Children with Cancer, Shamsubahurudin created a Singapore-themed board game to engage children and their families. The initiative raised over $4,000 for VIVA's programmes, demonstrating how he combines innovation with practical care for others.

Anugerah MENDAKI 2026

Sofia Samir Ng
International Baccalaureate Diploma
St. Joseph's Institution

• Anugerah MENDAKI

Academic Excellence with a Heart for Service

Sofia Samir Ng achieved 44 out of 45 points in the International Baccalaureate Diploma Programme. An intellectually curious learner, she connects classroom concepts with practical issues and approaches her work with discipline and enthusiasm.

Her academic investigations explored how taxing disposable coffee cups could reduce waste and how television distance affects blue light intensity. Through the NTU Social Science Challenge, she also drafted policy memos to evaluate and improve public policies. In class, she willingly explained challenging mathematical concepts to her peers.

Beyond academics, Sofia took up football and, through diligent training, represented her school at the National School Games. As a Fraternity Executive Committee member, she helped organise school events and orientation activities, managed social media content and launched an interview series featuring fellow members.

Sofia's commitment to service led her to establish "The Bettering Branch", an informal youth initiative organising beach cleanups and food deliveries to home-bound seniors. Through Heartware Network's Digital Learning Workshops, she also taught seniors smartphone skills, helping them stay connected and use technology with greater confidence.

Anugerah
MENDAKI 2026

Ridha Fathima Nowshad
International Baccalaureate Diploma
St. Joseph's Institution

• Anugerah MENDAKI

Applying Innovation to Serve Others

Ridha Fathima Nowshad achieved 44 out of 45 points in the International Baccalaureate Diploma Programme. Her academic journey reflects diligence, self-motivation and an ability to combine analytical thinking with creativity.

Ridha applied mathematical models to optimise ChatGPT prompts for her Higher Level Mathematics Internal Assessment. At the Pre-University Seminar, she developed a prototype application to help Singaporeans recognise scams. She also designed an interactive map for her school's Year 5 IB Open House, applying her problem-solving skills to improve visitors' experience.

Beyond the classroom, Ridha represented her school in girls' football at the National School Games. Her involvement strengthened her teamwork and sportsmanship, while hosting visiting students from Japan gave her opportunities to build connections across cultures.

Through Beacon CAS and Project STAR, Ridha participated in food rescue activities and tutored underprivileged children. She also served as a school Tour Ambassador and Youth Leadership Dialogue facilitator, guiding participants through activities and reflections. Across these roles, she demonstrated thoughtful communication and a willingness to support others.

- **Aneeq Zahran Bin Azhar**
  Diploma in Digital Animation 2025/2026
  LASALLE College of the Arts

- **Nurin Imanina Binte Azhar**
  GCE Normal (Academic) Level 2025
  Kranji Secondary School

• Anugerah MENDAKI

Two Paths, One Proud Family

A visit to Ngee Ann Polytechnic first sparked Aneeq Zahran Bin Azhar's interest in animation. His secondary school teacher, Ms Cheak Yen Hui, introduced him to the field during the visit, inspiring him to enrol in Nitec in Digital Animation at ITE.

As an introvert, Aneeq initially found it difficult to adjust to the ITE environment. He continued to develop his skills and build his portfolio, gaining admission to LASALLE College of the Arts without taking the Higher Nitec route. He went on to graduate with a Diploma in Animation with Distinction.

His sister, Nurin Imanina Binte Azhar, has been forging her own path. Formerly from Kranji Secondary School, she did well in her GCE N(A)-Level examinations and secured a place in the Polytechnic Foundation Programme at Ngee Ann Polytechnic. She hopes to pursue a Diploma in Mass Communication.

For Mr and Mrs Azhar, seeing both children recognised at Anugerah MENDAKI 2026 is a moment of double joy, and a celebration of the different paths they have taken to reach this milestone.

"Alhamdulillah, we are truly grateful to Allah SWT for blessing our children with the MENDAKI awards. We are happy for them, knowing the challenges they have faced in their educational journeys. Every child is unique, and so is their journey. We will continue to support them and pray that they find happiness in pursuing their passions and contribute to their family, society and nation," shares their father, Mr Azhar Mohamed Hussain.

Anugerah MENDAKI 2026

Nur Laila Sumaiyah Binte Muhammad Hasanul Arifin
PSLE 2025
Pioneer Primary School

• Anugerah MENDAKI

A Shared Anugerah MENDAKI Milestone

Nur Laila Sumaiyah Binte Muhammad Hasanul Arifin, formerly of Pioneer Primary School and now at Swiss Cottage Secondary School, has shown strengths in writing, technology and leadership.

She earned awards in the Karya Minda Kreatif creative writing competition from 2023 to 2025, including Gold in 2023. Through the school's SOAR-EL programme, she co-wrote an article for Soar Magazine 2024. As a Rakan Bahasa in 2024, she helped promote the use of Malay in school. She also contributed to her team's third-place finish in an InfoComm Obstacle Challenge in the same year.

As President of Pioneer Primary School's Student Council, Laila earned praise from her teachers for her dedication, responsible nature and cheerful disposition. She continues her leadership journey as a Student Council member at Swiss Cottage and Publicity and Club Service Head of the Bukit Gombak Eagles Interact Club.

Her Anugerah MENDAKI recognition for PSLE 2025 marks a shared family milestone. Her father, Mr Muhammad Hasanul Arifin Bin Zawawi, received the award in the GCE A-Level category in 2005. Twenty-one years later, Laila follows in his footsteps while forging her own path.

"I hope this inspires others and also motivates Laila to do even better in the future," shares her father. Laila's journey reflects a love of learning and a willingness to use her talents to contribute to others.

Anugerah MENDAKI 2026

Putri Emily Binte Mohammad Joehaidi
Singapore Polytechnic

- Special Achievement Award for Excellence (Non-Academic)

A Voice of Passion, A Celebration of Heritage

Putri Emily Binte Mohammad Joehaidi is a vocalist and performer pursuing a Diploma in Media, Arts & Design (Sound & Music) at Singapore Polytechnic. With a passion for singing since the age of seven, she has developed her talents through vocal competitions, live performances and the traditional Malay performing art of Dikir Barat.

At the B-Dazzled Music & Talent Festival International 2025, held at the School of the Arts, Singapore, Putri Emily received the Diamond Award and Champion of Champions recognition in the Pop Vocals category. In recognition of her championship achievement, she is conferred the Special Achievement Award for Excellence (Non-Academic) – Regional Level at Anugerah MENDAKI 2026.

Her artistic contributions were also recognised at Singapore Polytechnic's Excellence Awards 2026, where she was named Artiste of the Year (Female), representing the SP Malay Language Society. As a Tok Juara with the school's all-female Dikir Barat group, Seri Thera, she contributed to the team's success at Piala Suara Serumpun 2025. The team won five accolades, including Best Tok Juara in the Women's category, Best Juara Song, Best Intro, Best in the Women's category and Best Team Overall.

Beyond performing, Putri Emily has supported a PPIS community involvement camp, helping to engage children aged eight to twelve in activities promoting Malay culture and heritage. Through her studies, performances and community involvement, she continues to deepen her musical skills while sharing her appreciation for Malay arts with others.

END OF BOOKLET
